

Primary Bathroom & Dressing Room

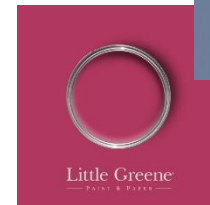

The design of the primary bathroom was envisioned to infuse the space with color and a sense of whimsy, while thoughtfully incorporating sustainable materials. The floor tile and green marble accent above the bathtub could not be removed, so the Songbirds wallpaper was selected to establish a colorful palette while also coordinating seamlessly with the existing elements in the room. Accent colors, patterns, and textures are woven throughout to create a lively and distinctive space.

Paint colors

- Dressing Room
 - Vanities: Little Greene, Pale Lupin
 - Ceiling: Little Greene, Aquamarine - Light
- Bathtub Room
 - Walls: Little Greene, Pale Lupin
 - Ceiling: Little Greene, Mischief
